TRANSIT 101

TOWN of CARY

GoCary's mission is to provide safe, clean, reliable and efficient transit service by responding to changing needs and focusing on customer service as our highest priority.

HOW TO RIDE

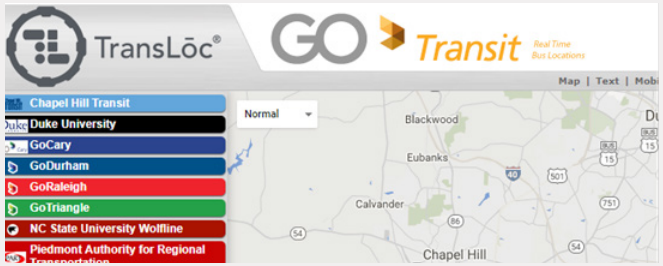
1. Use your schedule and map to determine which bus route you need to take, the stops you will need and if you need to transfer at any point. If you aren't sure which bus route to take, you can call the Regional Transit Information Center at (919) 485-RIDE (7433).

2. Be ready at the stop at least 5 minutes before the scheduled arrival time. When you see the bus is arriving, make sure that you have your fare ready. Visit www.GoCary.org to learn more about fares and ticket information.

3. To signal the bus driver to stop at the next bus stop location, you must push the signal strip above the seat. This device rings a bell to inform the driver that a passenger would like to get off the bus at the next stop.

4. You may board or disembark at any designated GoCary bus stop along any of the fixed routes. Boarding the bus at locations between stops will not be allowed for safety purposes.

5. While you are on the bus, you must obey the Riders Rules of Conduct. They are posted on all of the buses, or you can view them on our website at www.GoCary.org.



TRACK YOUR BUS!

TransLoc Rider puts you in control with real-time tracking so you'll never miss your bus again. Visit Triangle.TransLoc.com to download the app today or simply scan this QR code with your smartphone.

BIKES ON THE BUS

Getting around Cary and the Triangle region with your bike is easy with GoCary's Rack-n-Roll program! Each bus is equipped with a front rack that can accommodate two bikes. Passengers can easily load/unload at any bus stop. There is no charge to use the racks, making it an affordable way to include biking in your daily commute.

Visit www.TownofCary.org and search 'Rack-N-Roll' for more information.
