

Project A

Environment/Natural Resources

- Crosses approximately 1000 feet of wetlands (***)
- Crosses 2 stream and runs between two streams for approximately 1650 feet and crosses a lake or pond for approximately 1050 feet (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools or Hospitals (none)
- Runs parallel to Lake Crabtree County Park for approximately 2500 feet (*)
- No impact to Historic Resources (none)
- No impact to Other Protected Lands (none)

Project B

Environment/Natural Resources

- Is located approximately 350 feet from small wetland, 600 feet from another small wetland, 1750 feet from another small wetland, and 2300 small-medium sized wetland (none)
- Crosses three streams. Runs parallel to stream for approximately 300 feet (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to schools or hospitals (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project C

Environment/Natural Resources

- Approximately 400 feet away from small wetland (none)
- No impact to waterbodies (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- No Impacts to Protected Lands (none)

Project D

Environment/Natural Resources

- Approximately 75 feet away from small wetland, 230 feet away from small wetland, 560 feet away from small wetland, 500 feet away from small wetland, 675 feet away from small wetland, 475 feet away from small wetland, 1000 feet away from small wetland, 580 feet away from small wetland (none)
- Crosses 1 stream/creek, is within 500 feet of 9 streams (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project E

Environment/Natural Resources

- Crosses large wetland for approximately 1450 feet (***)
- Crosses no additional streams or creeks (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to schools or hospitals (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project F1

Environment/Natural Resources

- Crosses no wetland (none)
- Crosses 1 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- No impacts to Parks (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project F2

Environment/Natural Resources

- Crosses large wetland for approximately 2150 feet, adjacent to numerous other small and medium sized wetlands (***)
- Crosses several streams/creeks, close proximity to several others (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- No impacts to Parks (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project F3

Environment/Natural Resources

- Crosses small section of wetland (*)
- Crosses 2 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- No impacts to Parks (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project F4

Environment/Natural Resources

- Crosses no wetland (*)
- Crosses 3 streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- No impacts to Parks (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project G

Environment/Natural Resources

- Crosses one medium sized wetland for approximately 125 feet. Located approximately 150 feet from small wetland (***)
- Crosses one lake. Approximately 300 feet from two streams/creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Approximately 1150 feet from two separate schools (none)
- Approximately 1150 feet from one park (none)
- Runs through Academy St./Dry St. Historic District (**)
- No Impacts to Other Protected Lands (none)

Project H1

Environment/Natural Resources

- No impacts to wetlands (none)
- No impacts to waterbodies (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- No impacts to Parks or Open Spaces (none)
- Runs through Academy St./Dry St. Historic District (**)
- No Impacts to Other Protected Lands (none)

Project H2

Environment/Natural Resources

- No impacts to Wetlands (none)
- Approximately 285 feet from streams/creeks (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Approximately 200 feet from one school (*)
- No impacts to Parks or Open Spaces (none)
- Runs through Academy St./Dry St. Historic District (**)
- No Impacts to Other Protected Lands (none)

Project H3

Environment/Natural Resources

- Approximately 175 feet from a small wetland ,475 feet from a small wetland, 500 feet from a small wetland, and 1075 from a small wetland (none)
- Crosses 1 stream/creek. Runs within 500 feet from 10 additional streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Approximately 1575 feet from one school, 2230 from another school, impacts 1 Hospital (*)
- Approximately 1850 feet from a Parks (none)
- Runs through Academy St./Dry St. Historic District (**)
- No Impacts to Other Protected Lands (none)

Project H4

Environment/Natural Resources

- Approximately 200 feet from 3 small wetlands (none)
- Crosses 3 streams/creeks. Runs within 500 feet from 7 additional streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- Approximately 4750 feet from 1 Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- No Impacts to Protected Lands (none)

Project I

Environment/Natural Resources

- Approximately 430 feet from 1 small wetlands (none)
- Runs within 500 feet from 3 streams/creeks (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to schools or hospitals (none)
- Runs adjacent to greenway for 1150 feet (*)
- No impacts to Historic Resources (none)
- No Impacts to Protected Lands (none)

Project J1

Environment/Natural Resources

- Approximately 120 feet from 1 small wetland (none)
- Crosses 1 stream/creek, Runs parallel to two streams/creeks within 50 feet for approximately 1150 feet (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Runs 530 feet from one schools (none)
- Intersects a park (**)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project J2

Environment/Natural Resources

- No impact to Wetlands (none)
- Crosses 2 streams/creeks, Runs within 100 feet from 1 additional stream/creek (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- Runs 1150 feet parallel to greenway (*)
- No impacts to Historic Resources (none)
- Located approximately 825 feet from Arts Center (none)

Project J3

Environment/Natural Resources

- No impact to Wetlands (none)
- Crosses 3 streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project J4

Environment/Natural Resources

- No impacts to Wetlands (none)
- No impacts to waterbodies (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Located approximately 765 feet from a school (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- No Impacts to Protected Lands (none)

Project K

Environment/Natural Resources

- No impacts to Wetlands (none)
- Crosses 1 stream/creek, runs within 100 feet of 4 additional streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- Runs adjacent to North Cary Park for approximately 1450 feet (*)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project L1

Environment/Natural Resources

- Located within 50 feet of one small wetland (none)
- Crosses 1 streams/creeks, runs within 100 feet of 4 additional streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- No impact on parks (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project L2

Environment/Natural Resources

- Runs 40 feet from pond/wetland with railroad on opposite side (*)
- Crosses 2 streams/creeks, runs within 100 feet of 3 additional streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- Located within 1000 ft of one park (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project M

Environment/Natural Resources

- No impacts to Wetlands (none)
- Crosses 1 streams/creeks, located within 50 feet of one additional stream/creek (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools or Hospitals (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Environmental Justice

- Impacts areas with less than 10% below poverty level (none)
- Impacts areas with less than 5% Hispanic populations (none)
- Impacts mostly area with less than 10% to 24% minority (none)

Project N

Environment/Natural Resources

- Located within 500 feet of 3 small wetlands (none)
- Located within 100 feet of one stream/creek (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- 1040 feet from one school and 1750 feet from one schools (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project O

Environment/Natural Resources

- No impact to wetlands (none)
- Crosses 1 stream/creek, located within 100 feet or 1 additional stream/creek (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Impacts 0 schools and 1 hospital (*)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project P

Environment/Natural Resources

- Located within 650 feet of 2 small wetlands (none)
- Crosses 7 stream/creek, runs 250 feet parallel to stream for entire length of corridor (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- No Impacts to Other Protected Lands (none)

Project Q1

Environment/Natural Resources

- Crosses one small sized wetland (***)
- Crosses 7 stream/creek, runs in close proximity for numerous other streams and creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact on Superfund Sites (none)

Cultural/Economic

- No impact on schools (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- Close to Crabtree Creek Watershed Project (*)

Project Q2

Environment/Natural Resources

- Crosses one medium sized wetland for approximately 500 feet and runs within 500 feet of it for 5750 feet, crosses one small wetland for approximately 150 feet (***)
- Crosses 10 stream/creek, runs in close proximity for numerous other streams and creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact on Superfund Sites (none)

Cultural/Economic

- No impact on schools (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- Crosses Crabtree Creek Watershed Project (***)

Project Q3

Environment/Natural Resources

- No impact on wetland, is in close proximity to wetland (*)
- Crosses 7 stream/creek, runs in close proximity for numerous other streams and creeks (***)
- No impact to Hazardous Waste Sites (none)
- Located approximately 4875 feet from 1 Superfund Site (none)

Cultural/Economic

- Located close to 1 school (none)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- Located close to Crabtree Creek Watershed Project (**)

Project R

Environment/Natural Resources

- Located within 500 feet of 2 small to medium sized wetlands (none)
- Crosses 5 stream/creek, runs in close proximity to 2 other streams and creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Run across edge of private school property, located 2000 feet from 2 schools (***)
- No impacts to Parks or Open Spaces (none)
- No impacts to Historic Resources (none)
- Crosses NCSU Vet School (***)

Project S

Environment/Natural Resources

- No impact to Wetlands (none)
- Crosses 7 stream/creek, runs in close proximity to 5 other streams and creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Located 2000 feet from 2 schools (none)
- Adjacent to 2 Parks/Open Spaces for 1580 feet each (**)
- No impacts to Historic Resources (none)
- No impact to other Protected Areas (none)

Project T

Environment/Natural Resources

- No impact to wetlands (none)
- No impact to waterbodies (none)
- No impact to Hazardous Waste Sites (none)
- Crosses 1 Superfund Site for approximately 1050 feet (***)

Cultural/Economic

- Impacts 0 schools and 1 hospital (*)
- No impacts to Parks/Open Spaces (none)
- No impacts to Historic Resources (none)
- No impact to other Protected Areas (none)

Project U1

Environment/Natural Resources

- Located near several small wetlands (**)
- Crosses 4 streams/creeks and is located within 500 feet of several additional streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Located approximately 5050 feet from 1 school (none)
- Runs adjacent to Tom Brooks Park for approximately 1250 feet (**)
- Runs through Green Level Historic District for approximately 800 feet, runs adjacent to Green Level Baptist Church and Cemetery (***)
- No impact to other Protected Areas (none)

Project U2

Environment/Natural Resources

- Crosses 1 large wetland for approximately 1400 feet, located within 500 feet of 7 small wetlands (***)
- Crosses 1 stream/creek and is located near additional streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact on schools (none)
- No impact on parks (none)
- No impacts to Historic Resources (none)
- No impact to other Protected Areas (none)

Project V1

Environment/Natural Resources

- No wetland impact, close proximity to small ones (none)
- Crosses 5 streams/creeks and is located within close proximity to numerous additional streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Located approximately 3400 feet from 1 school (none)
- No impact to parks (none)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project V2

Environment/Natural Resources

- Crosses 1 large wetland for approximately 175 feet, located near small wetlands (***)
- Crosses 4 streams/creeks and is located within close proximity to numerous additional streams/creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact on schools (none)
- Located near 2 parks (none)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project W

Environment/Natural Resources

- Located approximately 75 feet from 1 small wetland and 275 feet from 1 small wetland (*)
- Located within 100 feet of 5 streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to schools/hospitals (none)
- No impacts to parks/open spaces (none)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project X

Environment/Natural Resources

- Located within 500 feet from 4 small wetlands and 1 medium wetland (none)
- Crosses 10 streams/creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Located approximately 3600 feet from 1 school (none)
- No impacts to parks/open spaces (none)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project Y1

Environment/Natural Resources

- Crosses 1 small wetland for approximately, Located near several additional small wetlands (*)
- Crosses 4 streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to schools/hospitals (none)
- No impacts to parks/open spaces (none)
- No impact to Historic Districts (none)
- No impact to other Protected Areas (none)

Project Y2

Environment/Natural Resources

- Crosses 1 small wetland for approximately 100 feet (**)
- Crosses 2 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to schools/hospitals (none)
- No impacts to parks/open spaces (none)
- Located approximately 925 feet from Carpenter Historic District (none)
- No impact to other Protected Areas (none)

Project Z

Environment/Natural Resources

- Located within 500 feet of 3 small wetlands (none)
- Crosses 8 streams/creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks/Open Spaces (none)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project AA1

Environment/Natural Resources

- No impact on wetlands (none)
- Crosses 2 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- Approximately 3100 feet from 1 Superfund Sites (none)

Cultural/Economic

- Impacts 1 school (**)
- Impacts 1 park (*)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project AA2

Environment/Natural Resources

- Located within 500 feet of 3 small wetlands (none)
- Crosses 2 streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Impacts 1 schools (**)
- No impacts to parks (none)
- Adjacent to Oak Grove Primitive Baptist Church – Historic Building (*)
- No impact to other Protected Areas (none)

Project BB

Environment/Natural Resources

- No impact to wetlands (none)
- Crosses large stream/creek, runs within 75 feet of lake (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to schools/hospitals (none)
- No impact to Parks/Open Spaces (none)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project CC1

Environment/Natural Resources

- Crosses 1 wetland for approximately 200 feet (**)
- Crosses 1 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Located 365 feet from 1 elementary school, 385 from 1 middle school, 1945 feet from 1 high school, and 2800 feet from 1 elementary school (*)
- Runs adjacent to Middle Creek Park for approximately 1900 feet (**)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project CC2

Environment/Natural Resources

- Within 100 feet of 1 small wetland (*)
- Crosses 3 streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to schools (none)
- No impacts to parks (none)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project DD

Environment/Natural Resources

- Within 500 feet of 3 wetlands (*)
- Crosses 8 streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to schools (none)
- No impact to parks (none)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project EE

Environment/Natural Resources

- No impacts to Wetlands (none)
- Crosses 1 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to schools/hospitals (none)
- No impacts to Parks/Open Spaces (none)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project FF

Environment/Natural Resources

- No impacts to wetlands (none)
- Crosses 1 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- Crosses 1 Superfund Sites for approximately 1060 feet (***)

Cultural/Economic

- No impacts to schools/hospitals (none)
- No impacts to Parks/Open Spaces (none)
- No impacts to Historic Areas (none)
- No impacts to other Protected Areas (none)

Project GG1

Environment/Natural Resources

- Located within 500 feet of 1 small wetlands (none)
- Crosses 1 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- Located near 2 Superfund Site (none)

Cultural/Economic

- No impact on schools (none)
- No impacts on parks (none)
- No impacts to Historic Areas (none)
- No impacts to other Protected Areas (none)

Project GG2

Environment/Natural Resources

- Located within 500 feet of 2 small wetlands (none)
- Crosses 4 streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact on Superfund Sites (none)

Cultural/Economic

- No impact on schools (none)
- No impact on parks (none)
- No impacts to Historic Areas (none)
- No impacts to other Protected Areas (none)

Project GG3

Environment/Natural Resources

- Located within 500 feet of 3 small wetlands (none)
- Crosses 2 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impacts on Superfund Sites (none)

Cultural/Economic

- No impacts on schools (none)
- Runs adjacent to Crowder District Park for approximately 700 feet (*)
- No impacts to Historic Areas (none)
- No impacts to other Protected Areas (none)

Project HH1

Environment/Natural Resources

- Crossed wetland in two sections (***)
- Crosses 10 streams/creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- Near Jordan Lake Army Corps (**)

Project HH2

Environment/Natural Resources

- No impact to wetland (none)
- No impact to streams or creeks (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact on schools (none)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- No impact to other Protected Areas (none)

Project II

Environment/Natural Resources

- Crossed 1 medium wetland for approximately 155 feet (**)
- Crosses 1 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- Approximately 1100 feet from NCSU Vet School (none)

Project JJ

Environment/Natural Resources

- Located approximately 25 feet from 1 small wetland, 500 feet from 1 small wetland (*)
- Crosses 5 streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Located approximately 700 feet from 1 School (*)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- No impact to other Protected Areas (none)

Project KK

Environment/Natural Resources

- Located within 500 feet of 2 small wetlands (none)
- Crosses 1 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- Located approximately 100 feet from 1 Parks (none)
- No impacts to Historic Areas (none)
- No impact to other Protected Areas (none)

Project LL

Environment/Natural Resources

- Located within 500 feet of 1 small wetland (none)
- Crosses 1 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- No impact to other Protected Areas (none)

Project MM

Environment/Natural Resources

- No impacts to wetlands (none)
- Crosses 3 streams/creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- No impact to other Protected Areas (none)

Project NN

Environment/Natural Resources

- No impacts to wetlands (none)
- Crosses 2 streams/creeks (*)
- No impact to Hazardous Waste Sites (none)
- Located approximately 180 feet from 1 Superfund Site (none)

Cultural/Economic

- Located approximately 1100 feet from 1 hospital (none)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- No impact to other Protected Areas (none)

Project OO

Environment/Natural Resources

- Located within 500 feet of 1 small wetland (none)
- No impact to waterbodies (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- No impact to other Protected Areas (none)

Environmental Justice

- Impacts areas with less than 10% below poverty level (none)
- Impacts areas with less than 5% Hispanic populations (none)
- Impacts areas with 25% to 49% minority (**)

Project QQ

Environment/Natural Resources

- Runs adjacent to 2 small wetland for approximately 25 feet each (*)
- Crosses 2 Streams/Creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites(none)

Cultural/Economic

- No impacts to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- No impact to other Protected Areas (none)

Project RR1

Environment/Natural Resources

- Located within 500 feet of a small wetland (*)
- Crosses 2 Streams/Creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- No impact to other Protected Areas (none)

Project RR2

Environment/Natural Resources

- Crosses 1 medium wetland for approximately 225 feet, located within 500 feet of an additional small wetland (**)
- Crosses 4 Streams/Creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- No impact to other Protected Areas (none)

Project RR3

Environment/Natural Resources

- Crosses 1 medium wetland and is located within 500 feet of 3 additional small wetlands (**)
- Crosses 2 Streams/Creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impacts to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impacts to Historic Areas (none)
- No impact to other Protected Areas (none)

Project SS1

Environment/Natural Resources

- Located within 500 feet of 6 small wetland (*)
- Crosses 9 Streams/Creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Located within 2800 feet of 1 school (none)
- No impact to Parks or Open Spaces (none)
- Located approximately 225 feet from Carpenter Historic District (none)
- No impact to other Protected Areas (none)

Project SS2

Environment/Natural Resources

- Runs adjacent to 1 medium wetland for 1675 feet each and 1 small wetland for approximately 150 feet, located within 500 feet of 3 small wetland (*)
- Crosses 10 Streams/Creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact on schools (none)
- No impact to Parks or Open Spaces (none)
- No impact on Historic Districts (none)
- Located approximately 1500 feet from Jordan Lake Army Corps Property (none)

Project TT1

Environment/Natural Resources

- Located within 500 feet of 3 small wetlands (*)
- Crosses 6 Streams/Creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impact to Historic Area (none)
- Crossed Old Rail Corridor (none)

Project TT2

Environment/Natural Resources

- Adjacent to 2 small wetlands and located within 500 feet of 8 small wetlands (*)
- Crosses 5 Streams/Creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impact to Historic Area (none)
- Adjacent to Old Rail Corridor (none)

Project UU1

Environment/Natural Resources

- Crosses 1 small wetland for approximately 115 feet, and 1 medium wetland for approximately 125 feet (***)
- Crosses 3 Streams/Creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impact to Historic Area (none)
- No impact to other Protected Areas (none)

Project UU2

Environment/Natural Resources

- Crosses 1 large wetland for approximately 255 feet (***)
- Crosses 9 Streams/Creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impact to Historic Area (none)
- No impact to other Protected Areas (none)

Project VV1

Environment/Natural Resources

- Located within 500 feet of 3 small wetlands (none)
- No impact on streams/creaks (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impact to Historic Area (none)
- No impact to other Protected Areas (none)

Project VV2

Environment/Natural Resources

- Crosses large wetland (***)
- Crosses 2 Streams/Creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact on hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impact to Historic Area (none)
- Located approximately 1800 feet from Jordan Lake Army Corps Property (none)

Project WW

Environment/Natural Resources

- Crosses through 1 large wetland for approximately 3050 feet (***)
- Crosses 1 Streams/Creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks or Open Spaces (none)
- No impact to Historic Area (none)
- No impact to other Protected Areas (none)

Project XX

Environment/Natural Resources

- Crosses through 1 large wetland for approximately 2315 feet and through 1 small wetland for approximately 135 feet (***)
- Crosses 9 Streams/Creeks (***)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Located within 3150 feet of 1 Hospital (none)
- No impact to Parks or Open Spaces (none)
- No impact to Historic Area (none)
- Runs adjacent to Jordan Lake Army Corps Property for approximately 2100 feet (**)

Project YY

Environment/Natural Resources

- Crosses through 1 large wetland for approximately 310 feet (***)
- Crosses 7 Streams/Creeks (***)
- No impact to Hazardous Waste Sites (none)
- Located within 1255 of 1 Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- Located within 2700 feet of Luther Green Park (none)
- No impact to Historic Area (none)
- No impact to other Protected Areas (none)

Project ZZ

Environment/Natural Resources

- Crosses through 1 medium wetland for approximately 1145 feet, 1 small wetland for approximately 100 feet (**)
- Crosses 3 Streams/Creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks/Open Spaces (none)
- No impact to Historic Area (none)
- Located approximately 875 feet from Crabtree Creek Watershed Project (none)

Project AB

Environment/Natural Resources

- No impacts to wetlands (none)
- Crosses 1 Streams/Creeks (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- Located within 650 feet of 1 School (none)
- No impact to Parks/Open Spaces (none)
- Runs through Academy St /Dry St Historic District for approximately 800 feet (***)
- Located approximately 875 feet from Crabtree Creek Watershed Project (none)

Project BC

Environment/Natural Resources

- Located within approximately 150 feet of 1 small wetland (none)
- Crosses 3 Streams/Creeks (**)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks/Open Spaces (none)
- No impact to Historic Areas(none)
- No impact to other Protected Areas (none)

Project CD

Environment/Natural Resources

- No impact to wetland (none)
- No impact to waterbodies (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- Near small open space site and monument park (*)
- No impact to Historic Areas(none)
- No impact to other Protected Areas (none)

Project DE

Environment/Natural Resources

- No impact to wetland (none)
- No impact to waterbodies (none)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- No impact to Parks/Open Spaces (none)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)

Project EF

Environment/Natural Resources

- Located within approximately 650 feet of 1 wetland (none)
- Existing street cross 1 stream (*)
- No impact to Hazardous Waste Sites (none)
- No impact to Superfund Sites (none)

Cultural/Economic

- No impact to Schools/Hospitals (none)
- Located adjacent to future Town of Cary park (*)
- No impact to Historic Areas (none)
- No impact to other Protected Areas (none)
