# WELCOME TO BLUE OPTIONS

---

---

Welcome to Blue Cross and Blue Shield of North Carolina's Blue Options plan!

As a *member* of the Blue Options plan, you will enjoy quality health care from a network of health care *providers* and easy access to *specialists*. You also have the freedom to choose health care *providers* who do not participate in the Blue Options network.

You may receive, upon request, information about Blue Options, its services and *doctors*, including this benefit booklet with a benefit summary, and a directory of *in-network providers*.

**Please note: This health benefit plan was not specifically designed to be a high deductible health plan ("HDHP") under the Tax Code, and therefore is not intended to be paired with a health savings account ("HSA"). Check with a tax advisor to ensure qualification before you pair this health benefit plan with an HSA.**

## **How To Use Your Blue Options Benefit Booklet**

This benefit booklet provides important information about your benefits and can help you understand how to maximize them.

If you are trying to determine whether coverage will be provided for a specific service, you may want to review all of the following:

- "Summary Of Benefits" to get an overview of your specific benefits, such as deductible, coinsurance, copayments and maximum amounts
- "Covered Services" to get more detailed information about what is covered and what is excluded from coverage
- "Utilization Management" for important information about when *prior review* and *certification* are required
- "What Is Not Covered?" to see general exclusions from coverage.

If you still have questions, you can call BCBSNC Customer Service at the number listed on your *ID Card* or in "Whom Do I Contact?"

As you read this benefit booklet, keep in mind that any word you see in italics (*italics*) is a defined term and will appear in "Glossary" at the end of this benefit booklet. Common insurance terms involving your financial responsibility such as "coinsurance," "coinsurance maximum," "copayment," and "deductible" are defined in "Understanding Your Share Of The Cost."

You will also want to review the following sections of this benefit booklet:

- "How Blue Options Works" explains the coverage levels available to you
- "When Coverage Begins And Ends" tells you, among other things, how and when to enroll in the *Plan*
- "What If You Disagree With A Decision?" explains the rights available to you when BCBSNC makes a decision and you do not agree.

## **Aviso Para Afiliados Que No Hablan Ingles**

Este manual de beneficios contiene un resumen en inglés de sus derechos y beneficios que le ofrece el *Plan*. Si usted tiene dificultad en entender alguna sección de este manual, por favor llame al *Administrador del Plan* para recibir ayuda.

## SUMMARY OF BENEFITS

---

---

This section provides a summary of your Blue Options benefits. A more complete description of your benefits is found in "Covered Services." General exclusions may also apply - please see "What Is Not Covered?" As you review the "Summary Of Benefits" chart, keep in mind:

- Copayment amounts are fixed dollar amounts the *member* must pay for some *covered services*
- Multiple *office visits* or emergency room visits on the same day may result in multiple copayments
- Coinsurance percentages shown in this section are part of the *allowed amount* that the *Plan* pays
- Deductible and coinsurance amounts are based on the *allowed amount*
- Services applied to the deductible also count toward any visit or day maximums
- To receive *in-network* benefits, you must receive care from a Blue Options *in-network provider*. **However, in an emergency, or when *in-network providers* are not reasonably available as determined by BCBSNC's access to care standards, you may also receive IN-NETWORK benefits for care from an *out-of-network provider*. Please see "Out-Of-Network Benefit Exceptions" and "Emergency Care" for more information. Access to care standards are available on the BCBSNC Web site at [bcbsnc.com](http://bcbsnc.com) or by calling BCBSNC Customer Service at the number listed on your *ID Card* or in "Whom Do I Contact?"**
- If you see an *out-of-network provider*, you will receive *out-of-network* benefits unless otherwise approved by BCBSNC.

**Please note:** The list of *in-network providers* may change from time to time, so please verify that the *provider* is still in the Blue Options network before receiving care. Find a *provider* on the BCBSNC Web site at [bcbsnc.com](http://bcbsnc.com) or call BCBSNC Customer Service at the number listed on your *ID card* or in "Whom Do I Contact?"

### **SPECIAL NOTICE IF YOU CHOOSE AN *OUT-OF-NETWORK PROVIDER***

Your actual expenses for *Covered Services* may exceed the stated coinsurance percentage or copayment amount because actual *provider* charges may not be used to determine the *Plan's* and *member's* payment obligations. For *out-of-network* benefits, you may be required to pay for charges over the *allowed amount*, in addition to any copayment or coinsurance amount.

# HOW BLUE OPTIONS WORKS

---

Blue Options gives you the freedom to choose any *provider* - the main difference will be the cost to you.

Benefits are available for services from a *provider* that is recognized by BCBSNC as eligible. For a list of eligible *providers*, please visit the BCBSNC Web site at **bcbsnc.com** or call BCBSNC Customer Service at the number listed in "Whom Do I Contact?" Here's a look at how it works:

	<b><i>In-Network</i></b>	<b><i>Out-of-Network</i></b>
Type of <i>Provider</i>	<p><i>In-network providers</i> are health care professionals and facilities that have contracted with BCBSNC, or a <i>provider</i> participating in the BlueCard® program. <i>In-network providers</i> agree to limit charges for <i>covered services</i> to the <i>allowed amount</i>.</p> <p>The list of <i>in-network providers</i> may change from time to time. <i>In-network providers</i> are listed on the BCBSNC Web site at <b>bcbsnc.com</b>, or call BCBSNC Customer Service at the number listed in "Whom Do I Contact?"</p>	<p><i>Out-of-network providers</i> are not designated as a Blue Options <i>provider</i> by BCBSNC. Also see "Out-of-Network Benefit Exceptions".</p>
<i>Allowed Amount</i> vs. Billed Amount	<p>If the billed amount for <i>covered services</i> is greater than the <i>allowed amount</i>, you are not responsible for the difference. You pay only the applicable copayment, deductible, coinsurance, and non-covered expenses.</p>	<p>You may be responsible for paying any charges over the <i>allowed amount</i> in addition to the applicable copayment, deductible, coinsurance, non-covered expenses and <i>certification</i> penalty amounts, if any.</p>
Referrals	<p>You are not required to obtain any referrals.</p>	<p>You are not required to obtain any referrals.</p>
Care Outside of North Carolina	<p>Your <i>ID card</i> gives you access to participating <i>providers</i> outside the state of North Carolina through the BlueCard program, and benefits are provided at the <i>in-network</i> copayment or coinsurance.</p>	<p>If you are in an area that has participating <i>providers</i> and you choose a <i>provider</i> outside the network, you will receive the lower <i>out-of-network</i> benefit. Also see "Out-Of-Network Benefit Exceptions."</p>
<i>Prior Review</i>	<p><i>In-network providers</i> in North Carolina will request <i>prior review</i> when necessary. If you receive services outside of North Carolina (even if you see an <i>in-network provider</i>), you are responsible for requesting or ensuring that your <i>provider</i> requests <i>prior review</i> by BCBSNC.</p> <p>For inpatient or outpatient mental health and substance abuse services, either in or outside of North Carolina, contact Magellan Behavioral Health to request <i>prior review</i> and receive <i>certification</i>.</p>	<p>You are responsible for requesting or ensuring that your <i>out-of-network provider</i> requests <i>prior review</i> by BCBSNC. Failure to request <i>prior review</i> and obtain <i>certification</i> may result in a partial or full denial of benefits. <i>Prior review</i> is not required for an <i>emergency</i> or for an inpatient hospital stay for 48 hours after a vaginal delivery or 96 hours after a cesarean section.</p>

## HOW BLUE OPTIONS WORKS *(cont.)*

---

*Prior review* is not required for an *emergency* or for an inpatient hospital stay for 48 hours after a vaginal delivery or 96 hours after a cesarean section.

### Filing Claims

*In-network providers* in North Carolina are responsible for filing claims directly with BCBSNC.

You may have to pay the *out-of-network provider* in full and submit your own claim to BCBSNC; also see "How To File A Claim."

### **Out-Of-Network Benefit Exceptions**

In an *emergency*, in situations where *in-network providers* are not reasonably available as determined by BCBSNC's access to care standards, or in continuity of care situations, *out-of-network* benefits will be paid at your *in-network* copayment or coinsurance. However, you may be responsible for charges billed separately by the *provider* which are not eligible for additional reimbursement. If you are billed by the *provider*, you will be responsible for paying the bill and filing a claim with BCBSNC.

For more information, see "*Emergency Care*," "*Continuity Of Care*" in "*Utilization Management*," and for information about BCBSNC's access to care standards, see the BCBSNC Web site at **bcbsnc.com**. If you believe an *in-network provider* is not reasonably available, you can help assure that benefits are paid at the correct benefit level by calling BCBSNC before receiving care from an *out-of-network provider*.

### **Carry Your Identification Card**

Your *ID card* identifies you as a Blue Options *member*. Be sure to carry your *ID card* with you at all times and present it each time you seek health care.

For *ID card* requests, please visit the BCBSNC Web site at **bcbsnc.com** or call BCBSNC Customer Service at the number listed in "Whom Do I Contact?"

### **Making An Appointment**

Call the *provider's* office and identify yourself as a Blue Options *member*. Please ask the receptionist if the *provider's* office is *hospital*-owned or operated or provides *hospital*-based services. If so, your *medical services* may be covered under Outpatient Services benefit and are listed as *Outpatient Clinic Services* in "Summary Of Benefits." If you need nonemergency services after your *provider's* office has closed, please call your *provider's* office for their recorded instructions. You may also contact the nurse advice line, HealthLine Blue, for assistance.

If you cannot keep an appointment, call the *provider's* office as soon as possible. Charges for missed appointments, which *providers* may require as part of their routine practice, are not covered.

### **The Role Of A Primary Care Provider (PCP) Or Specialist**

It is important for you to maintain a relationship with a *PCP*, who will help you manage your health and make decisions about your health care needs. If you change *PCPs*, be sure to have your medical records transferred, especially immunization records, to provide your new *doctor* with your medical history. You should participate actively in all decisions related to your health care and discuss all treatment options with your health care *provider* regardless of cost or benefit coverage. *PCPs* are trained to deal with a broad range of health care issues and can help you to determine when you need a *specialist*. *Providers* from medical specialties such as family practice, internal medicine and pediatrics may participate as *PCPs*.

Please visit the BCBSNC Web site at **bcbsnc.com** or call BCBSNC Customer Service to be sure the *provider* you choose is available to be a *PCP*. You may want to confirm that the *provider* is in the network before receiving care.

## HOW BLUE OPTIONS WORKS *(cont.)*

---

If your *PCP* or *specialist* leaves the BCBSNC *provider* network and they are currently treating you for an ongoing special condition, see "Continuity Of Care" in "*Utilization Management*."

Upon the request of the *member* and subject to approval by BCBSNC, a *specialist* treating a *member* for a serious or chronic disabling or life-threatening condition can act as the *member's PCP*. The selected *specialist* would be responsible for providing and coordinating the *member's* primary and specialty care. The selection of a *specialist* under these circumstances shall be made under a treatment plan approved by the *specialist*, and BCBSNC, with notice to the *PCP* if applicable. A request may be denied where it is determined that the *specialist* cannot appropriately coordinate the *member's* primary and specialty care.

To make this request or if you would like the professional qualifications of your *PCP* or *in-network specialist*, you may call BCBSNC Customer Service at the number listed in "Whom Do I Contact?"

### **HealthLine Blue**

You may call a HealthLine Blue nurse to assist you with medical questions, offer support, and send you free information on health topics appropriate for your condition. *Members* may ask to speak with the same nurse on an ongoing basis. You may also visit the BCBSNC Web site at **bcbnsnc.com** to search a library of current health topics, send secure messages to the HealthLine Blue nurses, learn about symptoms and medications and use tools that guide you through important health care decisions. See the number listed in "Whom Do I Contact?" to speak to a HealthLine Blue nurse.

# UNDERSTANDING YOUR SHARE OF THE COST

This section explains how you and BCBSNC share the cost of your health care.

## Copayments

A copayment is a fixed dollar amount you must pay for some *covered services* at the time you receive them.

One copayment covers most services at a *provider's* office. Copayments also apply to *urgent care* and *emergency room* services. Copayments are not credited to the individual or family coinsurance maximum or to the *benefit period* deductible.

See "Summary Of Benefits" for your *copayment* amounts.

## Deductibles

A deductible is the dollar amount you must incur for *covered services* in a *benefit period* before benefits are payable under the *Plan*. The deductible does not include coinsurance, charges in excess of the *allowed amount*, amounts exceeding any maximum, and expenses for noncovered services. If one or more *dependents* are covered, you each have an individual deductible and your family has a combined family deductible.

Note these special rules:

- Charges for the following services do not apply to the medical *benefit period* deductible:
  - inpatient newborn care for well-baby.
- Amounts applied to your *out-of-network* deductible are credited to your *in-network* deductible
- However, amounts applied to your *in-network* deductible are not credited to your *out-of-network* deductible.

Refer to "Summary Of Benefits" for your deductible amounts.

## Coinsurance

Coinsurance is the sharing of charges by BCBSNC and the *member* for *covered services*, after you have satisfied your *benefit period* deductible.

Here is an example of what your costs could be for *in-network* or *out-of-network* services. The scenario is a total outpatient *hospital* bill of \$5,000.

	<b><i>In-Network</i></b>	<b><i>Out-of-Network</i></b>
A. Total Bill	\$5,000	\$5,000
B. <i>Allowed Amount</i>	\$4,250	\$4,250
C. Deductible Amount	<b>\$250</b>	<b>\$500</b>
D. <i>Allowed Amount</i> Minus Deductible (B-C)	\$4,000	\$3,750
E. Your Coinsurance Amount (x% times D)	<b>(10%) \$400</b>	<b>(30%) \$1,125</b>
F. Amount You Owe Over <i>Allowed Amount</i>	<b>\$0</b> <i>(in-network charges limited to Allowed Amount)</i>	<b>\$750</b> <i>(difference between Total Bill and Allowed Amount)</i>
G. Total Amount You Owe (C+E+F)	<b>\$650</b>	<b>\$2,375</b>

Deductible and coinsurance amounts are for example only, please refer to "Summary Of Benefits" for your benefits.

## Coinsurance Maximum

The coinsurance maximum is the dollar amount of coinsurance you pay for *covered services* in a *benefit period* before the *Plan* pays 100% of *covered services*.

Note these special rules:

- Copayments, deductibles, charges over *allowed amounts* and charges for noncovered services are not included in the coinsurance maximum
- Charges applied to your *out-of-network* coinsurance are credited to your *in-network* coinsurance maximum. However, charges applied to your *in-network* coinsurance are not credited to your *out-of-network* coinsurance maximum.

## COVERED SERVICES

Also see "Prospective Review/Prior Review" in "Utilization Management" for information about the review process, and visit the BCBSNC Web site at [bcbsnc.com](http://bcbsnc.com) or call BCBSNC Customer Service to ask whether a specific service requires *prior review* and *certification*.**
- Exclusions and limitations apply to your coverage. Service-specific exclusions are stated along with the benefit description in "Covered Services." ### **Statement Of Rights Under The Newborns' And Mothers' Health Protection Act**

However, the plan or issuer may pay for a shorter stay if the attending *provider* (e.g., your *doctor*, nurse midwife or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, group health plans and health insurance issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a *doctor* or other health care *provider* obtain *certification* for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain *providers* or facilities, or to reduce your out-of-pocket costs, you may be required to obtain *certification*.

## WHEN COVERAGE BEGINS AND ENDS

---

To be covered under the *Plan*, you must be an active *employee* who works 20 or more hours per week. However, your *employer* may establish additional criteria you must meet before you are eligible for coverage. This may include satisfying a probationary period before your coverage begins.

You may also be eligible for coverage under the *Plan* if the *Plan Administrator* allows eligibility to extend to other persons, such as retirees.

For *dependents* to be covered under the *Plan*, you must be covered and your *dependent* must be one of the following:

- Your spouse, under a legally valid, existing marriage between persons of the opposite sex
- Your or your spouse's *dependent children* to their 26th birthday. Your *employer* may require proof that your *dependent child* meets the definition of *dependent child* as outlined in the "Glossary."
- A *dependent child* who is either mentally retarded or physically handicapped and incapable of self-support may continue to be covered under the *Plan* regardless of age if the condition exists and coverage is in effect when the child reaches the age of 26. The handicap must be medically certified by the child's *doctor* and may be verified annually by the *Plan*.

### **Enrolling In The Plan**

It is very important to consider when you apply for coverage and/or add *dependents*. Your *employer* allows you to apply for or make changes to your coverage during the open enrollment period, which is held once a year. Your *employer* does not impose any waiting period for *pre-existing conditions* if you apply during the open enrollment period. If you do not apply for coverage within 30 days of when you or your *dependents* first become eligible, you will have to wait for a future open enrollment period. Newly eligible children (newborns, adoptive children, *foster children*) and children added as a result of a court order, such as a Qualified Medical Child Support Order (QMCSO), are not restricted to the open enrollment period. See also "Adding Or Removing A *Dependent*."

You may also apply for coverage and/or add *dependents* in the *Plan* within a 30-day period following any of the qualifying events listed below unless otherwise noted. Coverage is effective no later than the first day of the first month following a completed request for enrollment. The following are considered qualifying events:

- You or your *dependents* become eligible for coverage under the *Plan*
- You get married or obtain a *dependent* through birth, adoption, placement in anticipation of adoption, or foster care placement of an eligible child
- You or your *dependents* lose coverage under another health benefit plan, and each of the following conditions is met:
  - you and/or your *dependents* are otherwise eligible for coverage under the *Plan*, and
  - you and/or your *dependents* were covered under another health benefit plan at the time coverage was previously offered and declined enrollment due to the other coverage, and
  - you and/or your *dependents* lose coverage under another health benefit plan due to i) the exhaustion of the COBRA continuation period, or ii) the loss of eligibility for that coverage for reasons including, but not limited to, legal separation, divorce, loss of *dependent* status, death of the *employee*, termination of employment, or reduction in the number of hours of employment, or iii) the termination of the other plan's coverage, or iv) the offered health benefit plan not providing benefits in your service area and no other health benefit plans are available, or v) the termination of *employer* contributions toward the cost of the other plan's coverage, or vi) meeting or exceeding the lifetime benefit maximum, or vii) the discontinuance of the health benefit plan to similarly situated individuals.
- You or your *dependents* lose coverage due to loss of eligibility under Medicaid or the Children's Health Insurance Program (CHIP) and apply for coverage under this *Plan* within 60 days
- You or your *dependents* become eligible for premium assistance with respect to coverage under this *Plan* under Medicaid or Children's Health Insurance Program (CHIP) and apply for coverage under this *Plan* within 60 days.

### **Adding Or Removing A Dependent**

Do you want to add or remove a *dependent*? You must notify Human Resources and BCBSNC and fill out any required forms. Failure to timely notify Human Resources of the need to remove a *dependent* could result in loss of eligibility for continuation of coverage.

## **WHEN COVERAGE BEGINS AND ENDS** *(cont.)*

---

For coverage to be effective on the date the *dependent* becomes eligible, any forms must be completed within 30 days after the *dependent* becomes eligible.

However, if you are adding a newborn child, a child legally placed for adoption or a *foster child*, and adding the *dependent child* would not change your coverage type or premiums, the change will be effective on the date the child becomes eligible (the date of birth for a newborn, the date of placement for adoption for adoptive children, or the date of placement of a *foster child* in your home), as long as coverage was effective on that date. In these cases, notice is not required by the *Plan Administrator* within 30 days after the child becomes eligible, but it is important to provide notification as soon as possible.

*Dependents* may be removed from coverage by contacting the *Plan Administrator* and by completing the proper form. *Dependents* must be removed from coverage when they are no longer eligible, such as when a child is no longer eligible due to age, or when a spouse is no longer eligible due to legal separation, divorce or death. Failure to timely notify your *Plan Administrator* of the need to remove a dependent could result in loss of eligibility for continuation of coverage.

### **Qualified Medical Child Support Order**

A Qualified Medical Child Support Order (QMCSO) is any judgment, decree or order that is issued by an appropriate court or through an administrative process under state law that: (1) provides for coverage of the child of a *member* under the *Plan*; and (2) is either issued according to state law or a law relating to medical child support described in Section 1908 of the Social Security Act. A QMCSO must be specific as to the plan, the participant whose child(ren) is (are) to be covered, the type of coverage, the child(ren) to be covered and the length of coverage. A copy of the QMCSO procedures may be obtained free of charge from the *Plan Administrator*.

### **Types Of Coverage**

These are the types of coverage available:

- Employee-only coverage - The *Plan* covers only you
- Employee-spouse coverage - The *Plan* covers you and your spouse
- Employee-children coverage - The *Plan* covers you and your *dependent children*
- Family coverage - The *Plan* covers you, your spouse and your *dependent children*.

### **Reporting Changes**

Have you moved, added or changed other health coverage, changed your name or phone number? If so, contact the *Plan Administrator* and fill out the proper form. It will help assure better service if BCBSNC is kept informed of these changes.

### **Continuing Coverage**

Under certain circumstances, your eligibility for coverage under this *Plan* may end. You may have certain options such as enrolling in Medicare or continuing health insurance under this *Plan*.

#### **Medicare**

When you reach age 65, you may be eligible for Medicare Part A hospital, Medicare Part B medical, and Medicare Part D prescription drug benefits. You may be eligible for Medicare benefits earlier if you become permanently disabled or develop end-stage renal disease. Just before either you or your spouse turn 65, or when disability or end-stage renal disease occurs, you should contact the nearest Social Security office and apply for Medicare benefits. They can tell you what Medicare benefits are available.

If you are covered by this *Plan* when you become eligible for Medicare, consult the *Plan Administrator*, who will advise you about continuation of coverage under the *Plan*.

#### **Continuation Under Federal Law**

Under a federal law known as COBRA, if your *employer* has 20 or more employees, you and your covered *dependents* can elect to continue coverage for up to 18 months by paying applicable fees to the *employer* in the following circumstances:

- Your employment is terminated (unless the termination is the result of gross misconduct)
- Your hours worked are reduced, causing you to be ineligible for coverage.

## WHEN COVERAGE BEGINS AND ENDS *(cont.)*

---

In addition to their rights above, *dependents* will be able to continue coverage for up to 36 months if their coverage is terminated due to:

- Your death
- Divorce or legal separation
- Your entitlement to Medicare
- A *dependent child* ceasing to be a *dependent* under the terms of this coverage.

Children born to or placed for adoption with you during the continuation coverage period are also eligible for the remainder of the continuation period.

If you are a retired *employee* and your *employer* allows coverage to extend to retirees under this *Plan*, and you, your spouse and your *dependents* lose coverage resulting from a bankruptcy proceeding against your *employer*, you may qualify for continuation coverage under COBRA. Contact the *Plan Administrator* for conditions and duration of continuation coverage.

In addition, you and/or your *dependents*, who are determined by the Social Security Administration to be disabled, may be eligible to extend their 18-month period of continuation coverage, for a total maximum of 29 months. The disability has to have started at some time before the 60th day of continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Notice must be provided to the *Plan Administrator* within 60 days of the determination of disability by the Social Security Administration and prior to the end of the original 18-month period of continuation coverage. In addition, notice must be provided to the *Plan Administrator* within 30 days after the later of the date of determination that the individual is no longer disabled or the date of the initial notification of this notice requirement.

You or your *dependents* must notify the *Plan Administrator* within 60 days of the following qualifying events:

- Divorce
- Legal separation
- Ineligibility of a *dependent child*.

You and/or your *dependents* will be offered continuation coverage within 14 days of the date that the COBRA administrator is notified of one of these events resulting in the termination of your coverage. Eligible persons have 60 days to elect or reject continuation coverage. Following election, applicable fees must be paid to the COBRA administrator within 45 days.

Continuation coverage will end at the completion of the applicable continuation period or earlier if:

- Your *employer* ceases to provide a health benefit plan to *employees*
- The continuing person fails to pay the monthly fee on time
- The continuing person obtains coverage under another group plan, unless the new group plan excludes or limits coverage for *pre-existing conditions* and the continuing person does not have enough prior *creditable coverage* to satisfy any new waiting period for *pre-existing conditions* that would apply. (In this case, continuation coverage will be the secondary payer, with the exception of claims for *pre-existing conditions*. Continuation coverage will be the primary payer of claims for *pre-existing conditions*.)
- The continuing person becomes entitled to Medicare after the election of continuation coverage.

If you are covered by the *Plan* and called to the uniformed services, as defined in the Uniformed Services Employment and Reemployment Rights Act (USERRA), consult the *Plan Administrator*. The *Plan Administrator* will advise you about the continuation of coverage and reinstatement of coverage under this *Plan* as required under USERRA.

If you have any questions about your COBRA rights or continuation of coverage, please contact the *Plan Administrator*.

### **Certificate Of Creditable Coverage**

The *Plan Administrator* or its designee will supply a Certificate of Creditable Coverage when your or your *dependent's* coverage under the *Plan* ends or you exhaust continuation of coverage. Keep the Certificate of Creditable Coverage in a safe place. It may help you receive credit toward any new *pre-existing conditions*

waiting period that applies on subsequent coverage. You may request a Certificate of Creditable Coverage from BCBSNC Customer Service while you are still covered under the *Plan* and up to 24 months following your termination.

You may call BCBSNC Customer Service at 1-877-275-9787 (toll free), Monday through Friday 8:00 a.m. - 6:00 p.m. except holidays.

### **Termination Of Member Coverage**

BCBSNC will terminate coverage under the *Plan* in accordance with eligibility information provided by the employer. A *member's* termination shall be effective at 11:59 p.m. on the date that eligibility ends.

#### **Termination For Cause**

A *member's* coverage may be terminated upon 31 days prior written notice for the following reasons:

- The *member* fails to pay or to have paid on his or her behalf or to make arrangements to pay any *copayments*, *deductible* or *coinsurance* for services covered under the *Plan*
- No *in-network provider* is able to establish or maintain a satisfactory *doctor-patient* relationship with a *member*, as determined by the *Plan*
- A *member* exhibits disruptive, abusive, or fraudulent behavior toward an *in-network provider*.

As an alternative to termination as stated above, the *Plan*, in its sole discretion, may limit or revoke a *member's* access to certain *in-network providers*.

#### **A *member's* coverage under the *Plan* will be terminated immediately for the following reasons:**

- Fraud or intentional misrepresentation of a material fact by a *member* or *dependent*. However, if such termination is made retroactively to the *effective date* of your policy (called a rescission), you will be given 30 days advance written notice of this rescission and may submit an appeal ; see "What If You Disagree With Our Decision?" If your policy is rescinded any premiums paid will be returned unless BCBSNC deducts the amount for any claims paid.
- A *member* has been convicted of (or a restraining order has been issued for) communicating threats of harm to BCBSNC personnel or property
- A *member* permits the use of his or her or any other *member's ID card* by any other person not enrolled under this *Plan*, or uses another person's *ID card*.

# UTILIZATION MANAGEMENT

---

To make sure you have access to high quality, cost-effective health care, BCBSNC has a *utilization management (UM)* program. The *UM* program requires that certain health care services be reviewed and approved by BCBSNC in order to receive benefits. As part of this process, BCBSNC looks at whether health care services are *medically necessary*, provided in the proper setting and provided for a reasonable length of time. BCBSNC will honor a *certification* to cover *medical services* or supplies under the *Plan* unless the *certification* was based on a material misrepresentation about your health condition or you were not eligible for these services under the *Plan* due to termination of coverage (including your voluntary termination of coverage) or nonpayment of premiums.

## **Rights And Responsibilities Under The *UM* Program**

### **Your *Member* Rights**

Under the *UM* program, you have the right to:

- A *UM* decision that is timely, meeting applicable state and federal time frames
- The reasons for BCBSNC's *adverse benefit determination* of a requested treatment or health care service, including an explanation of the *UM* criteria and treatment protocol used to reach the decision
- Have a medical director from BCBSNC make a final determination of all *adverse benefit determinations* that were based upon *medical necessity*
- Request a review of an *adverse benefit determination* through the appeals process (see "What If You Disagree With A Decision?")
- Have an authorized representative pursue payment of a claim or make an appeal on your behalf.

An authorized representative may act on the *member's* behalf with the *member's* written consent. In the event you appoint an authorized representative, references to "you" under the "*Utilization Management*" section mean "you or your authorized representative" (i.e., the authorized representative may pursue your rights and shall receive all notices and benefit determinations).

### **BCBSNC's Responsibilities**

As part of all *UM* decisions, BCBSNC will:

- Provide you and your *provider* with a toll-free telephone number to call *UM* review staff when *certification* of a health care service is needed
- Limit what BCBSNC requests from you or your *provider* to information that is needed to review the service in question
- Request all information necessary to make the *UM* decision, including pertinent clinical information
- Provide you and your *provider* prompt notification of the *UM* decision consistent with applicable state and federal law and the *Plan*.

In the event that BCBSNC does not receive sufficient information to approve coverage for a health care service within specified time frames, BCBSNC will notify you of an *adverse benefit determination* in writing. The notice will explain how you may appeal the *adverse benefit determination*.

## **Prior Review (Pre-Service)**

The *Plan* requires that certain health care services receive *prior review* as noted in "*Covered Services*." These types of reviews are called pre-service reviews. If neither you nor your *provider* requests *prior review* and receives *certification*, this may result in an *adverse benefit determination*. The list of services that require *prior review* may change from time to time.

General categories of services with this requirement are noted in "*Covered Services*." You may also visit the BCBSNC Web site at **bcbsnc.com** or call BCBSNC Customer Service at the number listed in "Whom Do I Contact?" for a detailed list of these services.

BCBSNC will make a decision on your request for *certification* within a reasonable amount of time taking into account the medical circumstances. The decision will be made and communicated within three business days after BCBSNC receives all necessary information but no later than 15 days from the date BCBSNC received the request. If your request is incomplete, then within five days from the date BCBSNC received your request, BCBSNC will notify you and your *provider* of how to properly complete your request. BCBSNC will notify you and your *provider* before the end of the initial 15-day period of the information needed and the date by which BCBSNC expects to make a decision. You will have 45 days to provide the requested information. As soon as BCBSNC receives all the requested information, or at the end of the 45 days, whichever is earlier, BCBSNC will make a decision within three business days. BCBSNC will notify you and the *provider* of an *adverse benefit determination* electronically or in writing.

### **Expedited Prospective Review**

You have a right to an expedited review when the regular time frames for a decision: (i) could seriously jeopardize your or your *dependent's* life, health, or ability to regain maximum function; or (ii) in the opinion of your *provider*, would subject you or your *dependent* to severe pain that cannot be adequately managed without the requested care or treatment. BCBSNC will notify you and your *provider* of its decision as soon as possible, taking into account the medical circumstances. BCBSNC will notify you and your *provider* of its decision within 24 hours after receiving the request. If BCBSNC needs more information to process your expedited review, BCBSNC will notify you and your *provider* of the information needed as soon as possible but no later than 24 hours after receiving the request. You will then be given a reasonable amount of time, but not less than 48 hours, to provide the requested information. As soon as BCBSNC receives all the requested information, or at the end of the time period specified for you to provide the information, whichever is earlier, BCBSNC will make a decision on your request within a reasonable time but no later than 48 hours.

An expedited review may be requested by calling BCBSNC Customer Service at the number given in "Whom Do I Contact?"

### **Concurrent Reviews**

BCBSNC will also review health care services at the time you receive them. These types of reviews are concurrent reviews.

BCBSNC will communicate concurrent review decisions to the *hospital* or other facility within three business days after BCBSNC receives all necessary information but no later than 15 days after the request. In the event of an *adverse benefit determination*, BCBSNC will notify you, your *hospital's* or other facility's *UM* department and your *provider*. Written confirmation of the decision will also be sent to your home by U.S. mail. For concurrent reviews, the *Plan* will remain responsible for *covered services* you are receiving until you or your representatives have been notified of the *adverse benefit determination*.

#### **Expedited Concurrent Review**

You have a right to an expedited review when the regular time frames for a decision: (i) could seriously jeopardize your or your *dependent's* life, health, or ability to regain maximum function; or (ii) in the opinion of your *provider*, would subject you or your *dependent* to severe pain that cannot be adequately managed without the requested care or treatment. If you request an extension of treatment that BCBSNC has already approved at least 24 hours before the current approved treatment ends, BCBSNC will notify you and your *provider* of its decision as soon as possible taking into account the medical circumstances, but no later than 24 hours after receiving the request.

### **Retrospective Reviews (Post-Service)**

BCBSNC also reviews the coverage of health care services after you receive them (retrospective/post-service reviews). Retrospective review may include a review to determine if services received in an emergency setting qualify as an *emergency*. BCBSNC will make all retrospective review decisions and notify you of its decision within a reasonable time but no later than 30 days from the date BCBSNC received the request. In the event of an *adverse benefit determination*, BCBSNC will notify you and your *provider* in writing within five business days of the decision. All decisions will be based on *medical necessity* and whether the service received was a benefit under this *Plan*. If more information is needed before the end of the initial 30-day period, BCBSNC will notify you of the information needed. You will then have 90 days to provide the requested information. As soon as BCBSNC receives all the requested information, or at the end of the 90 days, whichever is earlier, BCBSNC will make a decision within 15 days. Services that were approved in advance by BCBSNC will not be subject to denial for *medical necessity* once the claim is received, unless the *certification* was based on a material misrepresentation about your health condition or you were not eligible for these services under the *Plan* due to termination of coverage or nonpayment of premiums. All other services may be subject to retrospective review and could be denied for *medical necessity* or for a benefit limitation or exclusion.

### **Care Management**

*Members* with complicated and/or chronic medical needs may, solely at the option of BCBSNC, be eligible for care management services. Care management (or case management) encourages *members* with complicated or chronic medical needs, their *providers*, and the *Plan* to work together to meet the individual's health needs and promote quality outcomes. To accomplish this, *members* enrolled in or eligible for care management programs may be contacted by BCBSNC or by a representative of BCBSNC. The *Plan* is not obligated to provide the same benefits or services to a *member* at a later date or to any other *member*. Information about these services can be obtained by contacting an *in-network PCP* or *in-network specialist* or by calling BCBSNC Customer Service.

### **Continuity Of Care**

Continuity of care is a process that allows *members* to continue receiving care from an *out-of-network provider* for ongoing special conditions at the *in-network* benefit level when the *member* or *employer* changes plans or when your *provider* is no longer in the Blue Options network. If your *PCP* or *specialist* leaves the BCBSNC *provider* network and they are currently treating you for an ongoing special condition that meets BCBSNC continuity of care criteria, BCBSNC will notify you 30 days before the *provider's* termination, as long as BCBSNC receives timely notification from the *provider*. To be eligible for continuity of care, the *member* must be actively being seen by an *out-of-network provider* for an ongoing special condition and the *provider* must agree to abide by the BCBSNC requirements for continuity of care. An ongoing special condition means:

- in the case of an acute illness, a condition that is serious enough to require medical care or treatment to avoid a reasonable possibility of death or permanent harm;
- in the case of a chronic illness or condition, a disease or condition that is life-threatening, degenerative, or disabling, and requires medical care or treatment over a prolonged period of time;
- in the case of pregnancy, the second and third trimesters of pregnancy;
- in the case of a terminal illness, an individual has a medical prognosis that the *member's* life expectancy is six months or less.

The allowed transitional period shall extend up to 90 days, as determined by the *provider*, except in the cases of:

- scheduled *surgery*, organ transplantation, or inpatient care which shall extend through the date of discharge and post-discharge follow-up care or other inpatient care occurring within 90 days of the date of discharge; and
- second trimester pregnancy which shall extend through the provision of 60 days of postpartum care; and
- terminal illness which shall extend through the remainder of the individual's life with respect to care directly related to the treatment of the terminal illness.

Continuity of care requests will be reviewed by a medical professional based on the information provided about specific medical conditions. Claims for approved continuity of care services will be subject to the *in-network* benefit. In these situations, benefits are based on the billed amount. However, you may be responsible for charges billed separately by the *provider* which are not eligible for additional reimbursement. Continuity of care will not be provided when the *provider's* contract was terminated for reasons relating to quality of care or fraud. Such a decision may not be reviewed on appeal.

Please call BCBSNC Customer Service at the number listed in "Whom Do I Contact?" for more information.

### **Delegated Utilization Management**

BCBSNC delegates *UM* and the first level appeal for inpatient and outpatient mental health and substance abuse services to Magellan Behavioral Health. Magellan Behavioral Health is not associated with BCBSNC. Claims determinations and second level appeal are provided by BCBSNC.

### **Evaluating New Technology**

In an effort to allow for continuous quality improvement, BCBSNC has processes in place to evaluate new medical technology, procedures and equipment. These policies allow BCBSNC to determine the best services and products to offer *members*. They also help BCBSNC keep pace with the ever-advancing medical field. Before implementing any new or revised policies, BCBSNC reviews professionally supported scientific literature as well as state and federal guidelines, regulations, recommendations, and requirements. BCBSNC then seeks additional input from *providers* who know the needs of the patients they serve.

# WHAT IF YOU DISAGREE WITH A DECISION?

---

In addition to the *UM* program, BCBSNC offers an appeals process for *members*. If you want to appeal an *adverse benefit determination*, you have the right to request that BCBSNC review the decision through the appeals process. The appeals process is voluntary and may be requested by the *member* or an authorized representative acting on the *member's* behalf with the *member's* written consent. In the event you appoint an authorized representative, references to "you" under this section mean "you or your authorized representative" (i.e., the authorized representative may pursue your rights and shall receive all notices and benefit determinations).

## **Steps To Follow In The Appeals Process**

For each step in this process, there are specified time frames for filing an appeal and for notifying you or your *provider* of the decision. The type of *adverse benefit determination* will determine the steps that you will need to follow in the appeals process. For all appeals, the review must be requested in writing, within 180 days of an *adverse benefit determination*.

Any request for review should include:

- *Member's ID* number
- *Member's* name
- Any other information that may be helpful for the review.
- Patient's name
- The nature of the appeal

To request a form to submit a request for review, visit the BCBSNC Web site at **bcbsnc.com** or call BCBSNC Customer Service at the number listed in "Whom Do I Contact?"

All correspondence related to a request for a review through BCBSNC's appeals process should be sent to:

BCBSNC  
Customer Service  
PO Box 2291  
Durham, NC 27702-2291

In addition, *members* may also receive assistance with *adverse benefit determinations* from the Managed Care Patient Assistance Program by contacting:

### **First Level Appeal**

BCBSNC will provide you with the name, address and phone number of the appeals coordinator within three business days after receipt of a review request. BCBSNC will also give you instructions on how to submit written materials.

Although you are not allowed to attend a first level appeal, you may provide and/or present written evidence and testimony. BCBSNC asks that you send all of the written material you feel is necessary to make a decision. BCBSNC will use the material provided in the request for review, along with other available information, to reach a decision. If your appeal is due to a *noncertification*, your appeal will be evaluated by a licensed medical doctor who was not involved in the initial *noncertification* decision. You may receive, in advance, any new information that BCBSNC may use in making a decision or any new or additional rationale so that you have an opportunity to respond prior to the notice of an *adverse benefit determination*.

You will be notified in clear written terms of the decision, within a reasonable time but no later than 30 days from the date BCBSNC received the request. You may then request all information that was relevant to the review.

### **Second Level Appeal**

If you are dissatisfied with the first level appeal decision, you have the right to a second level appeal. Second level appeals are not allowed for benefits or services that are clearly excluded by this benefit booklet, or quality of care complaints. Within ten business days after BCBSNC receives your second level appeal, BCBSNC will send you an acknowledgement letter which will include the following:

- Name, address and telephone number of the appeals coordinator

## WHAT IF YOU DISAGREE WITH A DECISION? (cont.)

---

- A statement of your rights, including the right to:
  - request and receive all information that applies to your appeal from BCBSNC
  - attend the second level appeal meeting
  - present your case to the review panel
  - submit supporting material before and at the review meeting
  - ask questions of any member of the review panel
  - be assisted or represented by a person of your choosing, including a family member, an *employer* representative, or an attorney
  - Receive instructions on how to request an external, independent review from an independent review organization (IRO) upon completion of this review if not satisfied with the decision (available for *noncertifications* only).

You may also receive assistance from the Employee Benefits Security Administration at 1-866-444-3272.

The second level appeal meeting, which will be conducted by a review panel coordinated by BCBSNC using external physicians and/or benefit experts, will be held within 45 days after BCBSNC receives a second level appeal. You will receive notice of the meeting date and location at least 15 days before the meeting. You have the right to a full review of your appeal even if you do not attend the meeting. A written decision will be issued to you within seven business days of the review meeting.

### **Expedited Appeals (Available only for *Noncertifications*)**

You have the right to a more rapid or expedited review of a *noncertification* if a delay: (i) would reasonably appear to seriously jeopardize your or your *dependent's* life, health or ability to regain maximum function; or (ii) in the opinion of your *provider*, would subject you or your *dependent* to severe pain that cannot be adequately managed without the requested care or treatment. You can request an expedited second level review even if you did not request that the initial review be expedited. An expedited review may be initiated by calling BCBSNC Customer Service at the number given in "Whom Do I Contact?" An expedited review will take place in consultation with a medical *doctor*. All of the same conditions for a first level or second level appeal apply to an expedited review, except that the review meeting will take place through a conference call or through written communication. BCBSNC will communicate the decision by phone to you and your *provider* as soon as possible, taking into account the medical circumstances, but no later than 72 hours after receiving the request. A written decision will be communicated within four days after receiving the request for the expedited appeal. Information initially given by telephone must also be given in writing.

After requesting an expedited review, BCBSNC will remain responsible for covered health care services you are receiving until you have been notified of the review decision.

Correspondence related to a request for a review through the *Plan's* appeals process should be sent to:

BCBSNC  
Customer Service  
PO Box 2291  
Durham, NC 27702-2291

### **Delegated Appeals**

BCBSNC delegates responsibility for the first level appeal for inpatient and outpatient mental health and substance abuse services to Magellan Behavioral Health. Magellan Behavioral Health is not associated with BCBSNC. Please forward written appeals to:

Magellan Behavioral Health  
Appeals Department  
PO Box 1619  
Alpharetta, GA 30009

Second level appeal is provided by BCBSNC.

## **ADDITIONAL TERMS OF YOUR COVERAGE**

---

### **Benefits To Which *Members* Are Entitled**

The benefits described in this benefit booklet are provided only for *members*. These benefits and the right to receive payment cannot be transferred to another person. At the option of the *Plan*, payment for services will be made to the *provider* of the services, or the *Plan* may choose to pay the *member*.

If a *member* resides with a custodial parent or legal guardian who is not the *member*, the *Plan* will, at its option, make payment to either the *provider* of the services or to the custodial parent or legal guardian for services provided to the *member*. If the *member* or custodial parent or legal guardian receives payment, it is his or her responsibility to pay the *provider*.

Benefits for *covered services* specified in the *Plan* will be provided only for services and supplies that are performed by a *provider* as specified in the *Plan* and regularly included in the *allowed amount*. BCBSNC establishes coverage determination guidelines that specify how services and supplies must be billed in order for payment to be made under the *Plan*.

Any amounts paid by the *Plan* for noncovered services or that are in excess of the benefit provided under your Blue Options coverage may be recovered by BCBSNC. BCBSNC may recover the amounts by deducting from a *member's* future claims payment. This can result in a reduction or elimination of future claims payments.

Amounts paid by the *Plan* for work-related accidents, injuries, or illnesses covered under state workers' compensation laws will be recovered upon final adjudication of the claim or an order of the applicable state agency approving a settlement agreement. It is the legal obligation of the *member*, the *employer* or the workers' compensation insurer (whoever is responsible for payment of the medical expenses) to notify BCBSNC in writing that there has been a final adjudication or settlement.

In addition, under certain circumstances, if BCBSNC pays the *provider* amounts that are your responsibility, such as deductible, copayments or coinsurance, BCBSNC may collect such amounts directly from you.

*Providers* are independent contractors, and they are solely responsible for injuries and damages to *members* resulting from misconduct or negligence.

### **BCBSNC's Disclosure Of Protected Health Information (PHI)**

BCBSNC takes your privacy seriously and handles all PHI as required by state and federal laws and regulations and accreditation standards. BCBSNC has developed a privacy notice that explains the procedures.

To obtain a copy of the privacy notice, visit the BCBSNC Web site at [bcbsnc.com](http://bcbsnc.com) or call BCBSNC Customer Service at the number listed in "Whom Do I Contact?"

### **Administrative Discretion**

BCBSNC has the authority to make reasonable determinations in the administration of coverage. These determinations will be final. Such determinations include decisions concerning coverage of services, care, treatment or supplies, and reasonableness of charges. BCBSNC medical policies are guides considered when making coverage determinations.

### **Provider Reimbursement**

BCBSNC has contracts with certain *providers* of health care services for the provision of, and payment for, health care services provided to all *members* entitled to health care benefits. BCBSNC's payment to *providers* may be based on an amount other than the billed charges, including without limitation, an amount per confinement or episode of care, agreed upon schedule of fees, or other methodology as agreed upon by BCBSNC and the *provider*. Under certain circumstances, a contracting *provider* may receive payments from BCBSNC greater than the charges for services provided to an eligible *member*, or BCBSNC may pay less than charges for services, due to negotiated contracts. The *member* is not entitled to receive any portion of the payments made under the terms of contracts with *providers*. The *member's* liability when defined as a percent of charge shall be calculated based on the lesser of the *allowed amount* or the *provider's* actual charge for *covered services* provided to a *member*.

Some out-of-network *providers* have other agreements with BCBSNC that affect their reimbursement for *covered services* provided to Blue Options *members*. These *providers* agree not to bill *members* for any charges higher than their agreed upon, contracted amount. In these situations, *members* will be responsible for the difference between the Blue Options *allowed amount* and the contracted amount. *Out-of-network providers* may bill you directly. If you are billed, you will be responsible for paying the bill and filing a claim with BCBSNC.

### **Services Received Outside Of North Carolina**

## **ADDITIONAL TERMS OF YOUR COVERAGE** (cont.)

---

BCBSNC has a variety of relationships with other Blue Cross and/or Blue Shield licensees, generally referred to as “Inter-Plan Programs.” As a *member* of BCBSNC, you have access to *providers* outside the state of North Carolina. Your *ID card* tells *providers* that you are a *member* of the *Plan*. While the *Plan* maintains its contractual obligation to provide benefits to *members* for *covered services*, the Blue Cross and/or Blue Shield licensee in the state where you receive services (“Host Blue”) is responsible for contracting with and generally handling all interactions with its *participating providers*.

Whenever you obtain health care services outside the area in which the BCBSNC network operates, the claims for these services may be processed through one of these Inter-Plan Programs, which include the BlueCard Program and may include Negotiated National Account Arrangements available between BCBSNC and other Blue Cross and/or Blue Shield licensees.

Under the BlueCard Program, the amount you pay toward such *covered services*, such as deductibles, copayments or coinsurance, is usually based on the **lesser** of:

- The billed charges for your *covered services*, or
- The negotiated price that the "Host Blue" passes on to BCBSNC.

This "negotiated price" can be:

- A simple discount that reflects the actual price paid by the Host Blue to your *provider*
- An estimated price that factors in special arrangements with your *provider* or with a group of *providers* that may include types of settlements, incentive payments, and/or other credits or charges
- An average price, based on a discount that reflects the expected average savings for similar types of health care *providers* after taking into account the same types of special arrangements as with an estimated price.

The estimated or average price may be adjusted in the future to correct for over- or underestimation of past prices. However, such adjustments will not affect the price that BCBSNC uses for your claim because they will not be applied retroactively to claims already paid.

Laws in a small number of states may require the Host Blue to add a surcharge to your calculation. Should any state enact a law that mandates liability calculation methods that differ from the usual BlueCard Program method or requires a surcharge, your required payment for services in that state will be based upon the method required by that state's law.

As an alternative to the BlueCard Program and depending on your geographic location, your claim may be processed through a Negotiated National Account Arrangement with a Host Blue. In these situations, the amount you pay for *covered services* will be calculated based on the negotiated price made available to BCBSNC by the Host Blue.

If you receive *covered services* from a non-participating *provider* outside the state of North Carolina, the amount you pay will generally be based on either the Host Blue's non-participating *provider* local payment or the pricing arrangements required by applicable state law. However, in certain situations, the *Plan* may use other payment bases, such as billed charges, to determine the amount the *Plan* will pay for *covered services* from a non-participating *provider*. In any of these situations, you may be liable for the difference between the non-participating *provider's* billed amount and any payment the *Plan* would make for the *covered services*.

### **Right Of Recovery Provision**

Immediately upon paying or providing any benefit under the *Plan*, the *Plan* shall be subrogated to all rights of recovery a *member* has against any party potentially responsible for making any payment to a *member* due to a *member's* injuries, illness or condition, to the full extent of benefits provided or to be provided by the *Plan*.

In addition, if a *member* receives any payment from any potentially responsible party as a result of an injury, illness or condition, the *Plan* has the right to recover from, and be reimbursed by, the *member* for all amounts the *Plan* has paid and will pay as a result of that injury or illness, up to and including the full amount the *member* receives from all potentially responsible parties. The *member* agrees that if the *member* receives any payment from any potentially responsible party as a result of an injury or illness, the *member* will serve as a constructive trustee over the funds for the benefit of the *Plan*. Failure to hold such funds in trust will be deemed a breach of the *member's* fiduciary duty to the *Plan*.

Further, the *Plan* will automatically have a lien, to the extent of benefits advanced, upon any recovery whether by settlement, judgment or otherwise, that a *member* receives from the third party, the third party's insurer or any other source as a result of the *member's* injuries. The lien is in the amount of benefits paid by the *Plan* for the treatment of the illness, injury or condition for which another party is responsible.

## **ADDITIONAL TERMS OF YOUR COVERAGE** (cont.)

---

As used throughout this provision, the term responsible party means any party possibly responsible for making any payment to a *member* due to a *member's* injuries or illness or any insurance coverage including, but not limited to, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, workers' compensation coverage, no-fault automobile insurance coverage, or any first party insurance coverage.

The lien can be filed with or enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the *Plan* including, but not limited to, the *member*; the *member's* representative or agent; responsible party; responsible party's insurer, representative or agent; and/or any other source possessing funds representing the amount of benefits paid by the *Plan*.

The *member* acknowledges that the *Plan's* recovery rights are a first priority claim against all potentially responsible parties and are to be paid to the *Plan* before any other claim for the *member's* damages. The *Plan* shall be entitled to full reimbursement first from any potential responsible party payments, even if such payment to the *Plan* will result in a recovery to the *member* which is insufficient to make the *member* whole or to compensate the *member* in part or in whole for the damages sustained. It is further understood that the *Plan* will pay all fees associated with counsel it hires to represent its interests related to any recovery it may be entitled to, but it is agreed that the *Plan* is not required to participate in or pay court costs or attorney fees to any attorney hired by the *member*.

The terms of this entire right of recovery provision shall apply and the *Plan* is entitled to full recovery regardless of whether any liability for payment is admitted by any potentially responsible party and regardless of whether the settlement or judgment received by the *member* identifies the medical benefits the *Plan* provided. The *Plan* is entitled to recover from **any and all** settlements or judgments, even those designated as pain and suffering or non-economic damages only.

The *member* acknowledges that BCBSNC has been delegated authority by the *Plan Administrator* to assert and pursue the right of subrogation and/or reimbursement on behalf of the *Plan*. The *member* shall fully cooperate with BCBSNC's efforts to recover benefits paid by the *Plan*. It is the duty of the *member* to notify BCBSNC in writing of the *member's* intent to pursue a claim against any potentially responsible party, within 30 days of the date when any notice is given to any party, including an attorney, of the intention to pursue or investigate a claim to recover damages or obtain compensation due to injuries or illness sustained by the *member*. The *member* shall provide all information requested by BCBSNC or its representative including, but not limited to, completing and submitting any applications or other forms or statements as BCBSNC may reasonably request.

The *member* shall do nothing to prejudice the *Plan's* recovery rights as herein set forth. This includes, but is not limited to, refraining from entering into any settlement or recovery that attempts to reduce, waive, bar or exclude the full cost of all benefits provided by the *Plan*.

In the event that any claim is made that any part of this right of recovery provision is ambiguous or questions arise concerning the meaning or intent of any of its terms, the *member* and the *Plan* agree that the *Plan Administrator* shall have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

The *member* agrees that any legal action or proceeding with respect to this provision may be brought in any court of competent jurisdiction as BCBSNC may elect. Upon receiving benefits under the *Plan*, the *member* hereby submits to each such jurisdiction, waiving whatever rights may correspond to the *member* by reason of the *member's* present or future domicile.

### **Notice Of Claim**

The *Plan* will not be liable for payment of benefits unless proper notice is furnished to BCBSNC that *covered services* have been provided to a *member*. If the *member* files the claim, written notice must be given to BCBSNC within 18 months after the *member* incurs the *covered service*, except in the absence of legal capacity of the *member*. The notice must be on an approved claim form and include the data necessary for BCBSNC to determine benefits.

### **Limitation Of Actions**

No legal action may be taken to recover benefits for 60 days after the Notice of Claim has been given as specified above and until you have exhausted all administrative remedies, including following the appeal process. Please see "What If You Disagree With A Decision?" for details regarding the appeal process. No legal action may be taken later than three years from the date services are *incurred*.

### **Coordination Of Benefits (Overlapping Coverage)**

If a *member* is also enrolled in another group health plan, the *Plan* may coordinate benefits with the other plan.

Coordination of benefits (COB) means that if a *member* is covered by more than one group insurance plan, benefits under one group insurance plan are determined before the benefits are determined under the second group insurance plan. The group insurance plan that determines benefits first is called the primary group insurance plan. The other group insurance plan is called the secondary group insurance plan.

Benefits paid by the secondary group insurance plan may be reduced to avoid paying benefits between the two plans that are greater than the cost of the health care service. Most group health insurance plans include a COB provision. The rules by which a plan is determined primary or secondary are listed in the following chart. The "participant" is the person who is signing up for group health insurance coverage.

Note: Payment by BCBSNC under the *Plan* takes into account whether or not the provider is a *participating provider*. If the *Plan* is the secondary plan, and the *member* uses a *participating provider*, the *Plan* will coordinate up to the *allowed amount*. The *participating provider* has agreed to accept the *allowed amount* as payment in full.

BCBSNC may request information about the other plan from the *member*. A prompt reply will help BCBSNC process payments quickly. There will be no payment until primary coverage is determined. It is important to remember that even when benefits are coordinated with other group health plans, benefits for *covered services* under this *Plan* are still subject to program requirements, such as *prior review* and *certification* procedures.

# SPECIAL PROGRAMS

## **Programs Outside Your Regular Benefits**

The *Plan Administrator* and BCBSNC may add programs that are outside your regular benefits. These programs may be changed from time to time. Following are examples of programs that may be included outside your regular benefits:

- Service programs for members identified with complex health care needs, including a dedicated administrative contact, consolidated claims data information, and supportive gift items
- Wellness programs, including discounts on goods and services from other companies including certain types of *providers*
- Clinical Opportunities Notification Program involves the analysis of claims and subsequent notification to *providers* suggesting consideration of certain patient-specific treatment options along with medical literature addressing these treatment options
- Opportunities to qualify for gift items (such as exercise equipment and clothing) based on submitting activity diaries that record wellness and exercise activities or preventive health behaviors
- Quarterly, semi-annual, and/or annual drawings for gifts, which may include club memberships and trips to special events, based on submitting activity diaries
- Charitable donations made on your behalf by BCBSNC
- Discounts or other savings on retail goods and services.

These discounts on goods and services may not be provided directly by the *Plan* or BCBSNC, but may instead be arranged for your convenience. These discounts are outside the *Plan* benefits. Neither the *Plan* nor BCBSNC is liable for problems resulting from goods and services it does not provide directly, such as goods and services not being provided or being provided negligently. The gifts and charitable donations are also outside the *Plan* benefits. Neither the *Plan* nor BCBSNC is liable for third party *providers'* negligent provision of the gifts. The *Plan Administrator* may stop or change these programs at any time.

## **Health Information Services**

If you have certain health conditions, BCBSNC or a representative of BCBSNC may contact you to provide information about your condition, answer questions and tell you about resources that may be available to you. Your participation is voluntary, and your medical information will be kept confidential.

## **ADVERSE BENEFIT DETERMINATION**

A denial, reduction, or termination of, or failure to provide or make full or partial payment for a benefit resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be experimental or investigational or not medically necessary or appropriate. Rescission of coverage and initial eligibility determinations are also included as adverse benefit determinations.

## **ALLOWED AMOUNT**

The maximum amount that BCBSNC determines is reasonable for *covered services* provided to a *member*. The allowed amount includes any BCBSNC payment to the *provider*, plus any deductible, coinsurance or copayment. For *providers* that have entered into an agreement with BCBSNC, the allowed amount is the negotiated amount that the *provider* has agreed to accept as payment in full. Except as otherwise specified in "Emergency Care", for *providers* that have not entered into an agreement with BCBSNC, the allowed amount will be the lesser of the *provider's* billed charge or an amount based on an *out-of-network* fee schedule established by BCBSNC that is applied to comparable *providers* for similar services under a similar health benefit plan. Where BCBSNC has not established an *out-of-network* fee schedule amount for the billed service, the allowed amount will be the lesser of the *provider's* billed charge or a charge established by BCBSNC using a methodology that is applied to comparable *providers* who may have entered into an agreement with BCBSNC for similar services under a similar health benefit plan. Calculation of the allowed amount is based on several factors including BCBSNC's medical, payment and administrative guidelines. Under the guidelines, some procedures charged separately by the *provider* may be combined into one procedure for reimbursement purposes.

## **BENEFIT PERIOD MAXIMUM**
