The Holiday Season is a time to celebrate peace, good-will and coming together. We invite your organization to join us as we create the 7th annual Cary's Community Christmas Tree. Located in the Town Hall, this tree will feature ornaments created by members of our community. We're inviting schools, businesses, churches, non-profit organizations, groups and clubs to create an ornament that reflects the intent or purpose of their organization. It can be flat or chunky; painted or decorated with odds and ends; created from many types of materials. All the ornaments will be hung on the tree and celebrated during the ceremony to light the official Town Tree on December 3, 2011.
