General Fund

Did you know that for every tax dollar paid...?

23 cents go to administrative and internal functions such as human resources, purchasing, technology services, engineering, planning, and inspections.

6 cents help fund parks, recreation, cultural, and athletic programs.

34 cents provide fire and police protection.

6 cents help provide solid waste and recycling services.

16 cents are used for public works activities.

15 cents help retire debt for streets, parks, government facilities, and other miscellaneous costs/functions.

NOTE: These numbers show cents on Cary's property tax dollar after factoring out revenue attributable to each function.
