

**Town of Cary
Compliance Verification**

To provide compliance with GS87-14 and 97, satisfactory proof must be furnished that the State privilege license tax has been paid and that worker's compensation insurance is in effect. Please mark the appropriate statements below:

_____ As a licensed general contractor in N.C., I hereby certify that I have obtained worker's compensation as required by GS Chapter 97. I will maintain the required worker's compensation insurance for the entire duration of any construction for which permits have been issued.
or

_____ As a licensed general contractor in N.C., I hereby certify that I am exempt from the requirements of GS Chapter 97, requiring worker's compensation insurance for general contractors employing three or more employees. If at any time I employ three or more employees, I will provide the Town of Cary, from which I have obtained permits under an exempt status, the required certificate of insurance.
and

_____ I hereby certify that I have paid the licensing tax for general contractors as required by the Revenue Act of the State of NC.
