**NOTES:**

- (1) With the exception of base rates, all rates are per 1,000 gallons of usage
- (2) The Town of Morrisville's water and sewer system officially merged with the Town of Cary system effective April 1, 2006. As a part of the merger agreement, merger related costs were recovered through rate differentials from FY2007 through FY2012. Morrisville customers began paying the same rates as Cary customers in FY2013. Historical comparisons start at FY2013, with a 10 year history eventually being presented.
