

Community Activity Report

1.	Neighborhood	Regency Communities
2.	Class name and Instructor	Have a Green Christmas information table at neighborhood annual holiday social.
3.	Date, time and location when class was held	Dec 17th, 2016
4.	Adult volunteer coordinator(s)	Patty Cervenka
5.	Youth volunteer coordinator(s)	Rocco Nociti
6.	# of participants	~ 40 adults and 35 youth
7.	How was the Class advertised in the neighborhood?	Social media and email
8.	How did the class go? A brief description	<p>This annual event was organized by the HOA social committee. Attendance was approximately 75 people (down from usual attendance due to cold weather) and our table was positioned between Santa and the face painting booth. Town of Cary provided treats to attract people to our table which definitely worked! While eating their cookies, people were asked to fill out the "How Green Can I Be?" form and also discussed other green topics like recycling, rooftop solar, and reusable shopping bags/gift wrapping.</p> <p>This was a mostly successful activity and it was very nice to meet face to face with people who recognize the project name and my name from the communications we have been sending out.</p>
9.	Incentives/giveaways if any offered	Refreshments from a local bakery which sources its ingredients locally.
10.	Any green event guidelines followed?	Most attendees walked to this event. The food served was from Chanticleer Café, a locally owned business that sources its coffee and many ingredients locally. Trays/lids are being reused and table cloth is reusable so there was no waste from our participation at this event
