Part 3B: Applicant's Rezoning Justification Statement(s)

Rezoning Justification Statement #1 *Required for all rezoning requests*

Describe how the proposed rezoning meets the criteria listed below.

Section 3.4.1(E) of the Land Development Ordinance states that Council should consider the following criteria when reviewing all proposed rezonings:

- (1) The proposed rezoning corrects an error or meets the challenge of some changing condition, trend, or fact;

- (2) The proposed rezoning is consistent with the Comprehensive Plan and the purposes set forth in Section 1.3 of this Ordinance;

- (3) The Town and other service providers will be able to provide sufficient public safety, educational, recreational, transportation, and utility facilities and services to the subject property, while maintaining sufficient levels of service to existing development;

- (4) The proposed rezoning is unlikely to have significant adverse impacts on the natural environment, including air, water, noise, stormwater management, wildlife, and vegetation;

- (5) The proposed rezoning will not have significant adverse impacts on other property in the vicinity of the subject tract; and

- (6) The proposed zoning classification is suitable for the subject property.

Rezoning Justification Statement #2 *Required for all rezoning requests*

Describe how the proposed rezoning is consistent with or supported by the visions and policies of the [Cary Community Plan](#). *Attach additional sheet if necessary.*

Rezoning Justification Statement #3 *Required only when rezoning to a Planned Development District or amending an existing Planned Development District*
Describe how the proposed rezoning meets the criteria listed below.

Section 3.4.3(E) of the Land Development Ordinance states that Council should consider the following criteria when reviewing proposed rezonings to a Planned Development District.. *These criteria are in addition to those stated in Section 3.4.1(E),*

(1) The PDD designation is necessary to address a unique situation or represents a substantial benefit to the Town, compared to what could have been accomplished through strict application of otherwise applicable zoning district standards; and

(2) The request complies with the PDD standards of Section 4.2.3

Rezoning Justification Statement #4 *Required only when rezoning to or amending the Preliminary Development Plan component of a Mixed Use District*
Describe how the proposed rezoning meets the criteria listed below.

In addition to the criteria for a general rezoning specified in Section 3.4.1(E), rezoning requests to a MXD district shall be reviewed for compliance with the following criteria contained in LDO Section 4.5.2(E), as applicable [i.e., it may not be reasonable or practical to expect that some existing or partially-built mixed use districts (formerly activity center concept plans or mixed use sketch plans) to achieve certain design standards]:

(1) Intensity, Type, and Mix of Uses

The preliminary development plan includes an appropriate intensity, type, and mix of land uses, as outlined by the guidelines contained in the Comprehensive Plan. This shall be assessed in relation to the scale of the Mixed Use Overlay District and the mix and relationship of existing and planned uses, including residential, commercial, office, and institutional uses;

(2) Site Design

The preliminary development plan shows how the proposed development will meet or exceed Town site design guidelines and other established Town standards, including connections and linkages to immediately adjacent properties;

(3) Expected Land Uses

The extent to which the proposed development provides the expected land uses, including medium- and higher-density housing, outlined by the numerical and other guidelines contained in the Comprehensive Plan;

(4) Public Spaces

The preliminary development plan includes some formal outdoor space(s) for public use, such as a park, village green, or plaza; and

(5) Scale and Context

The preliminary development plan demonstrates that the proposed development is appropriate for the context and location, responds to the unique conditions of the area, and provides reasonable transitions within and adjacent to the district.
