

Community Activity Report

1.	Neighborhood	Stoneybrook Estates
2.	Class name and Instructor	Native Plants for your Backyard, Instructor: Mark Johns,
3.	Date, time and location when class was held	September 10, 2016 11.30 am-12.30 pm Stevens Nature Center, Hemlock Bluffs,
4.	Adult volunteer coordinator(s)	Marina D. Crosby
5.	Youth volunteer coordinator(s)
6.	# of participants	6
7.	How was the Class advertised in the neighborhood?	Email and facebook
8.	How did the class go? A brief description	Very nice tour of the Hemlock Bluffs native gardens around the Nature Center. Started with soil matters and then moved onto best native plants for the region. Covered water sources, layering, plant habits and needs.
9.	Incentives/giveaways if any offered	Mark generously gave us a voucher for a program of our choice which we will enjoy with the neighborhood. Thanks!
10.	Any green event guidelines followed?	Many! No paper or any other waste to promote the program or during the program. Some carpooling. No air-conditioning or artificial lighting almost all in the outdoors. Minimum number of brochures from the nature center, we will upload them to the FB page instead. Nothing was purchased for the event. Electronic thankys.
