Callan Park

Habitat for Humanity of Wake County has partnered with the Town of Cary for the last 15 years to provide over 50 new homes for Cary residents throughout the town. The project at Callan Park provided 5 new townhomes for sale to local families, which followed the Habitat model of future residents volunteering to build in sweat equity during the construction of the homes. The Town provided CDBG funding to assist with acquisition of the lots.

CDBG - The Community Development Block Grant

Supporting neighborhoods and communities in Cary and across the US
