Joshua Tree Court

The Serving Cup, which was formed in 2000, partnered with the Town of Cary to construct Green Level Homes at Joshua Tree Court. This provided six two-bedroom apartments on Green Level Road for adults with developmental disabilities. The Town provided supplementary loan funding through the CDBG program. The Serving Cup is partnering with Lutheran Family Services and the Arc of North Carolina to provide Supportive Services for the residents of Green Level Homes.

CDBG - The Community Development Block Grant

Supporting neighborhoods and communities in Cary and across the US
