## White Oak Foundation

*The Mission of the White Oak Foundation is “Caring for the Total Person” through the implementation of programs and projects to address hunger, provide crisis intervention and to promote home ownership and to establish economic self-reliance. It also sponsors food programs through its Food Bank distribution and hot meal delivery programs for seniors and provides educational scholarships & before and after school care programs. The Foundation is central to the delivery of services to some of our most vulnerable residents in Western Wake County.*
