

GoForward: Wake Transit Plan

Western Wake Comprehensive Operational Analysis

TOWN of CARY

Morrisville
Live connected. Live well.

The Towns of Apex, Cary, and Morrisville are refining the details of the GoForward: Wake Transit Plan, Western Wake Comprehensive Operational Analysis. This effort is designed to look at the specific details and needs of fixed-route bus and demand response services in these three communities over the next few years.

Project Timeline

This effort includes:

- Identifying existing community transit needs
- Evaluating current GoCary services
- Gathering input from the public
- Identifying and evaluating opportunities for potential transit growth
- Providing recommendations to improve transit services
- Informing future municipal and regional transit plans

Project Recommendations

Come talk to us about proposed recommendations for transit service in Cary, Apex, and Morrisville.

From feedback gathered through surveys and at public meetings in May, we have developed these new transit options.

We need **your** input to finalize these proposed recommendations.
