CARY SENIOR CENTER

ART PROGRAM SUPPLY LIST

PO Box 8005, Cary NC 27512-8005

**Bring your photos, a scrapbook, and some adhesive.
Everything else is nice but not necessary!**

- **Your Photos!**
Gather the photos you want to start with. *Don't try to organize all of your photos at once.* Start with a group for one section (it does not have to be the first section – pick a section you are particularly excited about working on!).
- **Pick out a scrapbook** - any size. Remember that if you have large pictures, you need a page size that will accommodate them. The most common size scrapbook is 12”x 12”, but you are welcome to pick any size that feels good to you.
- **Adhesive.** I prefer adhesive runners rather than liquid glue or a glue stick. It must be marked "acid free" or "photo safe". Anyone who works in one of the craft stores can show you adhesive runners. They will cost from \$3 to \$5.
- **Embellishments.** These are little things you add on to your pages to make them feel more complete. They include stickers, flowers, cardboard cutouts - you will find a lot of them in the scrapbooking sections of craft stores. You may want to purchase a few embellishments that you know go with the theme of your scrapbook, but **please limit yourself in the beginning until you see what I bring that you might want to use, and see what we make in class.**

I will bring supplies that everyone can use, including paper cutters, scissors, rulers, stickers, and papers. Our local craft stores such as Michaels Arts and Crafts, AC Moore and Joann's Fabric and Crafts regularly have sales on scrapbooking supplies, and provide coupons in the Sunday paper and on their websites. In addition, supplies often are available through discount stores including Dollar General, Walmart, Target, Tuesday Morning, Big Lots and Ollie's.

Please don't spend a lot of money on supplies when you start. You will get much more clarity about what you really need as you work on your book. In addition, I will do everything I can to keep your supplies costs as low as possible.

Feel free to contact me. I look forward to working with you!
