General Information:

Activity is the key to having a successful ladder. Players are responsible for arranging their own matches, and they can play as often as they would like. Players earn points with each match played, and move up, or down, the ladder accordingly. Points awarded are based on a combination of set scores, place in the ladder, and bonus points. (earn some points regardless of outcome) Players must play at least once a month to remain active on the ladder. Complete rules are available on the Challenge Ladder website. <http://www.townofcary.org/recreation-enjoyment/facilities/cary-tennis-park/adults>

Divisions will be combined if there are less than five players registered in division. Anyone over the age of 15 years old is eligible to play on the Open Division with CTP management approval.
