# 1 Introduction

## 1.1 Introduction

Wake County, North Carolina (“The County”) and Raleigh, North Carolina (“The City”) (jointly referred to as “City/County”) are seeking proposals from public, private or non-profit organizations to finance, construct, operate and maintain a multipurpose indoor sports complex to attract out-of-market tournament business and jointly be used, during non-tournament use, by Wake residents. Throughout this request for proposals (“RFP”), the “Proposer” refers to organizations that submit proposals as described within this RFP.

## 1.2 Overview

### 1.2.1 Indoor Sports Complex and Hospitality Taxes

In 1991, Wake County was authorized by North Carolina Law to levy a room occupancy tax and prepared food and beverage tax for the purposes of supporting a convention center, arena and other cultural, sports and arts activities. These funds are governed through Interlocal Agreements between the Wake County Board of Commissioner and the Raleigh City Council. In 2019, an Indoor Sports Complex Fund was established to assist in the development of a multi-purpose indoor sports complex that will support large indoor sport tournaments including e-gaming to attract out-of-market tournament business as well as support needs of the local community. Annual funding of up to \$2.36 million is available to support capital costs associated with the project for a maximum period of 25-years. All funding decisions must be authorized by the Raleigh City Council and the Wake County Board of Commissioners.

The City/County does not intend to fund recurring operational needs nor ongoing maintenance needs that may arise as a result of a funded Indoor Sports Complex. The proposer’s ability to address these costs should be included in the pro forma as required in Section 4.5.

Project selection is based primarily on whether a proposal meets the parameters and criteria outlined in Section 4.0.

### 1.2.2 Selection Process

In mid-October, the Raleigh City Council and Wake County Board of Commissioners were briefed on the process for selecting an Indoor Sports Complex partner.

An evaluation team of Wake County staff and community representatives will conduct a review process that will begin with the distribution of Request for Proposals. Proposals will be due to Wake County on January 16, 2020 before 3:00 pm. The evaluation committee will review submittals in January and February. The committee will receive presentations from each of the qualifying proposers in late January. It is anticipated that the Raleigh City Council and Wake Board of Commissioners will

receive recommendations for the evaluation team at their February 2020 Work Sessions.

### 1.3 Funding Available

Up to \$2.36 million will be available annually to support the selected proposal for a period of up to 25 years. The request of Hospitality Tax funding should not exceed 45% of the anticipated total project capital costs. Of the remaining 55% of funding, the Proposer should be able to demonstrate current commitments of at least half of the non-hospitality tax funding.

The proposal selected for funding will enter into a funding agreement with the Board of County Commissioners. Actual payments will be contingent upon approval of the funding agreement and the terms established in the funding agreement for each project. An example funding agreement is available at [www.wakegov.com/roomfoodtax](http://www.wakegov.com/roomfoodtax). The distribution of Hospitality Tax payments are anticipated to begin once the project's construction is complete and the project is operational.

### 1.4 General Proposal Requirements

When responding to this RFP, please follow all instructions carefully. Please submit proposal contents according to the outline specified and submit documents according to the instructions. Failure to follow these instructions will be considered a non-responsive proposal and may result in immediate elimination from further consideration.

By submitting a proposal, Proposers acknowledge that:

1.4.1 The City/County reserves the right to reject any or all proposals. The City/County reserves the right to reconsider any proposal submitted at any phase of the procurement. It also reserves the right to meet with select Proposers at any time to gather additional information.

1.4.2 Proposals will be received by Wake County Government at the time noted on the cover page of this document. At that point, Wake County will close the receipt of proposals and begin the evaluation process. The County will likely distribute a brief summary of the proposals received include the names of the respondents, project title, and funding amount requested.

The City of Raleigh or Wake County, at its option, may disclose the name(s) of any organizations being considered or elevated during the process. Proposers are not to contact any city or county staff or elected official in reference to the process due to the nature of a competitive environment and to protect the integrity of the RFP process until recommendations have been presented to the Wake Board of Commissioners and Raleigh City Council. As information becomes available and is relevant for release, that information will be shared with respondents.

### 1.5 Minimum Criteria

To be eligible for consideration, each proposal must meet the following minimum criteria:

1. The project must be fully located in Wake County.
2. The project must be consistent with the statutorily defined purposes of the funding related to convention, arts, culture or sports.
3. The project must be capital in nature with a minimum value of \$50,000,000.
