### Overall Operation/Management

#### Overall Operation or Management of Cary

The respondents were asked to rate the overall operation or management of the Town of Cary. The aforementioned nine-point scale from "very poor" to "excellent" was employed. The results from the total sample indicated a continued positive rating for the management of the Town of Cary (Table 33). This year there was a decrease in the mean which resulted in the grade declining from a B to a B-. On the positive side, the 2006 mean of 7.27 still represents the second highest rating since 1998.
